General Telephone folks have painted a nice picture of things to come in the local phone service and we are pleased. According to their game plan, we will have the option of all that fancy stuff - such as call-forwarding, call-waiting, three-way calling, etc. - by the year 1989. That sounds like a long time until I remember that as a child I once counted up to see if I would still be alive in 1960!

The Elba Water and Electric Board opened bids Tuesday on some upgrading of the local water system. This was for some water lines and the cost will be over \$100,000 but is needed. We know the folks directly on these new lines will be happy when the work is finished

New Brockon Methodist Church Has Ground-Breaking Ceremonie Last Sunday On Mother's Day

Rev. Cha D. Campbell, pastor of New Brockton United Methodist Church, is a letter from Julie Holliday Dietrich, a former member of the church, thich she presents to the church a cross constructed from bits of the colorglass from the windows of the former church building which was destroyey a tornado in November, 1986. The gift was presented during ground-aking ceremonies for the new church building on Sunday, May 10. Holding cross is Julie's father, Henry L. Holliday, accompanied by Mrs. Hollidayd grandson Brandon.

Freetings From Faith Chapel week we would like to talk about wisdom. I Corinthians 1:20-21 Whas the wise? Where is the scribe? Where is the disputer of this wor Hath not God made foolish the wisdom of this world? For after thathe wisdom of God the world by wisdom knew not God it pleased

God the foolishness of preaching to save them that believe.
s says that the wisdom of this world is foolishness to God. It is alsoying that the wise men of the world, with all their wisdom, did notow God because their wisdom did not come from God - it came frohis world. ily the wisdom that comes from God is true wisdom. James 3:17: Bue wisdom that is from above is first pure, then peaceable, gentle anasy to be entreated, full of mercy and good fruits, without pality and without hypocrisy. The saints of God need to ask for wirm. We need to ask God for wisdom when witnessing to someone osdom in the knowledge of His Word. We also need to ask Him for hisdom to lead our daily lives. All you have to do to get this wisdom

is is k God for it. James 1:5-6: If any of you lack wisdom, let him ask ord that giveth to all men liberally and upbraideth not; and it shall been him. But let him ask in faith, nothing wavering. For he that wreth is like a wave of the sea driven with the wind and tossed. o fear God and what He will do to you if you do not give your life to His the beginning of wisdom. Proverbs 9:10: The fear of the Lord is tl beginning of wisdom; and the knowledge of the holy urstanding. Wisdom is to be desired above all things. Proverbs 8 says, "For wisdom is better than riches; and all the things that n be desired are not to be compared to it." urge you to desire the wisdom that comes from God for it is so aful and important to our lives. The Bible has so much to say about dom that you could write a whole newspaper on wisdom alone. I am

giving so many verses because the Bible speaks for itself on dom. Here are some more to keep in mind: Proverbs 2:6-7: For the giveth wisdom; out of his mouth cometh knowledge and erstanding. He layeth up sound wisdom for the righteous; he is a tkler to them that walk uprightly. Proverbs 2:10-11: When wisdom ereth into thine heart and knowledge is pleasant unto thy soul; cretion shall preserve thee, understanding shall keep thee. Please do not be deceived by the knowledge and wisdom of this dd. For Satan is out there trying to deceive as many as he can. He is ing to make people believe that man came from apes, that there was ig bang in space and the earth was created. That is not what the le says and I do not believe it. You can see that the wisdom of this

Always remember I Corinthians 3:18-19: Let no man deceive iself. If any man among you seemeth to be wise in this world, let become a fool that he may be wise. For the wisdom of this world is lishness with God. For it is written, He taketh the wise in their own

ANSWERS TO YOUR **BIBLE QUESTIONS**

QUESTION: What is the duration of hell, in light of Jude 7?

Many religious groups now reject what the Bible teaches oncerning the reality and duration of hell. Many say that the usual nderstanding of "eternal hell-fire" is out of character for a loving God, and that when this life is over the unsaved will simply cease t exist. This is a popular doctrine, because it eliminates the possibility of unishment for sin. However, Jesus said that the wicked "shall g away into everlasting punishment" (Matt. 25:46). Paul spoke of those who know not God, and refuse to obey Him, "who shall be punished with everlasting destruction from the presence of the Lord' (2 Thess

The ultimate abode of the wicked is hell, from the Greek word gehenna. This is not the same as hades (sometimes rendered "hell" he KJV), the abode of all the dead before the resurrection. Nea erusalem was Gehenna, a narrow gorge, which represented the worst of Jewish history. Years before, the Jews stained this valley with the lood of their innocent children, offered in sacrifice to Baal. Gehenna was in Christ's day a burning garbage dump, which he chose as the name for the final abode for the wicked. Again and again in the scriptures hell is described as a place of mending punishment for the wicked. Jesus spoke of the day when his angels would gather those who do iniquity and "cast them into a irnace of fire: there shall be wailing and gnashing of teeth" (Matt 13:42). John described hell saying "the smoke of their tormen ascendeth up for ever and ever: and they have no rest day nor night"

(Rev. 14:11). In other passages, hell is described as "outer darkness, "furnace of fire," and "eternal fire." Jude 7 speaks of Sodom and Gomorrah, the wicked cities th "gave themselves over to fornication," which are "set forth for an example, suffering the vengeance of eternal fire." Some materialist say that since the fire that destroyed Sodom was an "eternal fire" burned out, the same may be said of the "eternal fire" of hell. Sodom serves as an example to all men of the vengeance of God on the ungodly. The fire that consumed it was so utter, and so permanent, that the only thing Jude could compare it to was "eterna! fire." Although the "eternal fire" that destroyed Sodom may not be literally burning today, it is still burning in the sense that Sodom serves as a warning t

What is the duration of hell? Jesus said that the wicked "shall go away into everlasting punishment: but the righteous into life eternal (Matt. 25:46). Hell is eternal, everlasting in the same sense that heaven is eternal, everlasting. The term "eternal" literally means "always being." Hell is eternal, and is not going to burn out. Paul recognized this and asked the question, "Lord, what would you have me do?" Jesus answered, "Go into the city and you will be told what you must do." Jesus also says in Vs. 16 that, "I will show him how great things he must suffer for my name's sake.' Jesus said Paul would suffer as a Christian and Paul did. But to deal with the question Paul asked Jesus:

Someone has said, "When people get the 'Son' question right, "Lord, what would you have us as Christians do today?'

to rid the church today of the lukewarmers and do-nothing Christians, we might see some churches being closed.

Charles Monoghan of Enterprise is the winner of a 19" color TV which was donated by Wai-Mart in Enterprise. The drawing was held on Fund-Raising Day for Special Activities for the day included selling drinks and hot dogs, having a bake sale and

raffling off the TV.

Drinks and hot dogs were sold from the drink wagon, and employees of Wal-Mart and members of the school system made items for the bake sale. According to Resource teacher Gale Jackson, purpose of the fund-raising was "to raise money for the resource classes in Coffee County. The money will be used to further expose our students to social situations, such as movies, museums and ordering meals for themselves at restaurants. The money will not be used for purchasing materials or books; the students will benefit directly from the money."

She went on the say that "Students, parents, teachers, Wal-Mart employees and administrators had a good time visiting with each other and with the public. Everyone was very responsive and most of them commented on "what a good cause" this was. Several people made comments such as "My child is in that, I'll surely give," "My grandchild is in a resource class or "I know some children in Special Olympics." "Who In Music will carr Who's Who grandchild is in a resource class ' or 'I know some children in Special Olympics.'

MOTHER

Mother, why do you love me as you I know you are human, I know I am too.

But how are you so perfect? How do you do it? How do you know? always just so?

Tell me your secret, Tell me once more. Oh how many times Have you told me before?

The Dixie Youth and Babe Ruth baseball seasons are underway in Elba with 2 wins to up their record to 4-0. and Tim Sullivant doubled for the on to nip the Reds 7-6. The Dodgers while Kevin Matthews and Kenneth and during the opening two weeks of action the crowds have been great! The The A's are in second place with a A's. stands have been filled for almost every game and all the teams in both 2-2 slate, while the Reds and leagues have had vocal support from their fans. Nothing makes a player try Dodgers both own 1-3 records. harder than hearing someone cheer for him and I hope the fans keep it up all summer long. it sounds great!!!

WHITE SOX ARE MAJOR SURPRISE IN BABE RUTH ACTION

The Babe Ruth baseball league may be only two weeks old; however, the White Sox have already been the surprise team of the year by getting off to a the second inning and cruised to a quick 4-0 start. The Sox struggled last season and while the team was big 17-6 win over the Dodgers. The expected to be improved this year, nobody expected them to jump out to a 4-0 A's trailed 4-3 early, but rallied to slate and move into first place in the league, Coach Jimmy DuBose worked take the lead and rolled to the win. wonders in Dixie Youth for three years and led the Pirates to consecutive titles, but to even think he'd continue to work his mastery in the older league the A's, which combined 9 hits with was a little too much. It takes good players to win games and I know Coach 15 walks, while Hayden Young hit a DuBose will give his players all the credit for his team's fast start; however, 2-run double for the Dodgers. Coach DuBose is a proven winner and his winning attitude seems to be contagious to his players. The White Sox will have a hard time remaining White Sox undefeated because of the balance of the league and may not wind up on top, Reds but the Sox have certainly been the team to watch for the first two weeks!

Looking quickly at the rest of the league, the A's appear to have a solid the final inning to post an exciting team, especially on the mound, and if the bats will start booming the men in 6-4 win over the Reds. The two green could challenge for the top spot. The Reds got off to a slow start due to teams had battled to even terms the absence of a couple of good players and stand at 1-3 after two weeks of throughout the contest and appeared action, but the Reds will get better as the season goes along and are still my pick to be near the top at season's end. The Dodgers got off to a rough beginning with three straight losses and may not have the talent the other teams in the league have; however, the Dodgers have a scrappy bunch of players and seem to be getting tired of losing already, so -- watch out!

DIXIE YOUTH SEASON COULD BE BEST IN YEARS

The Dixie Youth baseball league season is also underway and it looks like it will be an exciting season and a champion won't be crowned until late in the

***Cardinals are the top team in the league and seem to be strong on both 9-4 win over the second place A's. defense and at the plate. The Cards were expected to swing heavy bats, but after two games the Cards have been the league's most impressive team in the field and on the mound. The Cardinals will have to play well every night to avoid an upset and could get knocked off by a couple of teams; however with the combination of defense and hitting the Cards will be hard to beat! ***Pirates swing the bats as well as any team in many years and can score enough runs to stay in the game with anybody. The Pirates could get into trouble on the mound due to a lack of depth, but the way they hit the ball they will be hard to beat on every night out.

***Mets have a solid team with good pitching and could be the surprise team before the season ends. The Mets have a young club and didn't play well against the Cardinals once they fell behind, but you can bet their coaches will have them ready every night and as the season progresses the Mets will get

Tigers have already won two games and should win a bunch more before DIXIE YOUTH BASEBALL the season winds down. The Tigers have three good pitchers and a solid defense, but have too many players to always be strong in every position, and Thursday, May 14 if they get in trouble it could be late in the games. No matter what - the igers will battle until the end and never give up! * Astros are off to their usual slow start, but showed improvement last week 7:30 - Yankees vs. Mets

and seem talented enough to win their share of games as the season progresses. The Astros are a little short in the pitching department, but have Friday, May 15 very good hitters and can hang tough in a scoring contest. Look for the Astros to continue to get better and pull off some surprises. ***Yankees have got to be the youngest team in league history and will have 7:30 - Pirates vs. Astros to get better as the youngsters gain that much-needed experience. The Yanks have taken their lumps early in the season and could very well get roughed up Monday, May 18 even more, but better days are ahead and before it's all over, watch out -- the Yanks may start paying folks back!

It came as a surprise to many last week when it was announced that Mike BABE RUTH BASEBALL Williams had been named the new football coach at Andalusia. It had been rumored that the new coach would come out of the ranks of current Bulldog assistants, and a couple of other big name coaches were in the running; however, when the ink was dry the name of Mike Williams was on the dotted 6:00 - A's vs. Dodgers line and the youthful coach had the job. Williams led Samson to an 8:00 - Reds vs. White Sox undefeated regular season a couple of years ago and has been an assistant at Carroll of Ozark recently. The Bulldogs are used to winning and are hungry to enjoy the thrills of victory as in the old days, and Williams could be the man. Only time will tell.

FLOOD DAMAGE PREVENTION ORDINANCE #1987-1

Alabama has in Title II, Chapter 52, Sections 1 through 84, and Title 41, Chapter 9, Section 166, of the Code of Alabama 1975 authorized local public health, safety, and genera welfare of its citizenry. Therefore the City Council of the City of Elba Alabama, does ordain as follows: (1) The flood hazard areas of

the City of Elba are subject to periodic inundation which results in hazards to property, health and safety, and may disrupt commerce and governmental services. Also this inundation can result i extraordinary public expenditure impairment of the tax base which adversely affect the public health safety and general welfare. (2) These potential flood losses are caused by the cumulative effect of obstructions in floodplain causing increases in flood heights and velocities, and by the occupancy

in flood hazard areas by uses vulnerable to floods or hazardous t other properties which are inadequately elevated, flood-proofed or otherwise protected from flood Section C. Statement of Purpos It is the purpose of this ordinance o promote the public health, safety,

and general welfare and to minimize public and private losses due to flood conditions in specific areas by provisions designed to: (1) restrict or prohibit uses which are dangerous to health, safety and property due to water or erosion hazards, or which result in lamaging increases in erosion or in flood heights or velocities; (2) require that uses vulnerable to floods, including facilities

which serve such uses, be protected against flood damage at the time of (3) control the alteration of natural floodplains, stream channels, and natural protective barriers which are involved in the accomodation of flood waters; (4) control filling, grading, dredging and other development which may increase erosion or flood

damage, and; (5) prevent or regulate the construction of flood barriers which will unnaturally divert flood waters or which may increase flood hazards to other lands.

Section D. Objectives. The objectives of this ordinance

(1) to protect human life and (2) to minimize expenditure of public money for costly flood control (3) to minimize the need for rescue and relief efforts associated with flooding and generally under-

taken at the expense of the general (4) to minimize prolonged business interruptions; (5) to minimize damage to public facilities and utilities such as

With its small town atmosphere and friendly residents, Elba has all of the characteristics of comfortable rural living, but still has the amenities that make it attractive to new and, expanding industries.

One of the city's oldest industries, Dorsey Trailers, is a good example. This industry, one of the five largest trailer manufacturers in the country, has operated a thriving business in Elba since 1911. With nearly 700 employees, the industry manufactures more than 100 over-the-road truck trailers each week. Elba, located in south central Alabama's Coffee County, is one of nearly 40 cities certified under the
